Your agreement to these terms: In signing a proposal form or otherwise seeking insurance through us, you agree to the terms set out in this agreement.

About our service: You will not receive advice or a recommendation from us. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

We only offer insurances from a limited number of insurance providers for our Home, Travel, and Commercial products. For all other insurances, we only offer products from a single insurer. You are entitled to request a list of the companies and certain underwriters at Lloyds from which we have selected the products. If you would like further information about any of our products, please do not hesitate to contact us.

From time to time we may decide to change the insurer for any of the insurance products we offer. In such circumstances, we will write to you no less than 21 days before your current insurance expires with details of the new proposed insurer and any other changes to the insurance.

Fees: An administration fee of up to £25 may be charged for mid-term adjustments, request for duplicate documentation or cancellation where cover has commenced. No commission is refundable in the event of a mid-term cancellation. Unless otherwise stated in the event of mid-term cancellation Insurers require a minimum non-refundable premium of £ 50. A fee of up to £55.94 may be charged in relation to new business and renewed policies. Commercial fees will vary but will be advised before conclusion of the contract. The fees we charge may change from time to time.

Insurance Premium Tax: Where applicable, the premium we quote will include Insurance Premium Tax at the current rate of 12% (20% for travel insurance).

Validity Period: Our quotations are valid for thirty days or until the date you request cover to start, whichever is sooner.

Claims: We do not process claims for your insurance company, however, we act on behalf of your insurance company when you first tell us about a claim. When you tell us about a claim we need to take your name, address, policy number and enough detail about the claim so that your insurance company can best decide how to proceed.

Your Responsibilities: You must take reasonable care to provide complete and accurate answers to the questions we ask. Please ensure you have read the policy summary carefully to see if they apply to your circumstances. If any of the information provided by you changes after you have purchased the policy and

during the period of the policy, you must provide the insurer with details.

If the information provided is not complete and accurate:

- Your policy may be cancelled or treated as if it never existed and as a result the insurer will refuse to pay any claim, or
- The insurer may not pay any claim in full, or
- The insurer may revise the premium and/or change any excess, or
- The extent of the cover may be affected.

You must advise us if:

- You or any other person insured on the policy has ever had insurance declined or special terms added, you or any other person insured on the policy has in the past 5
- (Specifically in relation to Travel and Private Medical Insurance), years consulted, attended or been examined by a doctor or other Practitioner,
- You or any other person insured on the policy have had any incidents in the last three years that resulted in damage to property, items being stolen or injury to yourself. You should include these incidents whether or not you made a claim,
- You or any other person insured on the policy have any unspent convictions. ‘A “spent conviction” is a conviction which, under the terms of the Rehabilitation of Offenders Act 1974, can be effectively ignored after a specified amount of time. You must tell us as soon as possible about any changes that could affect your insurance. If you do not do this we will assume that the information we hold about you is correct.

Client Money: Where we act on insurers’ behalf we shall hold money as insurer money (“Insurer Money”). Premiums received by us will be treated as having been received by insurers whereas claims payments and/or premium refunds will only be treated as having been received by you when they are actually paid to you. We may co-mingle Insurer Money with Client Money where permitted by the FCA to do so.

Governing Law and Jurisdiction: All quotations and policies that we obtain for you are subject to the law of England and Wales and subject to the exclusive jurisdiction of the courts of England and Wales unless your policy document states otherwise.

Contracts (Rights of Third Parties) Act 1999: Your instruction to us to set up an insurance policy on your behalf forms a contract between you and your insurer. This insurance does not give rights to any person other than you unless your policy document states otherwise.

Language: During the term of any insurance policy we set-up for you we will communicate with you in English

Consumer Credit: In respect of certain products we act only as a credit broker and not a lender, for the provision of premium finance. In such cases we may receive a payment from the lender for these arrangements. If you have chosen to pay your insurance premium by direct debit, and default in payment of any instalments

due, we or our nominated credit provider, Close Brothers Premium Finance, a trading name of Close Brothers Ltd, will give you seven day's notice at your last known address.

If you do not meet the terms of this notice we or your insurer will have the option to cancel your policy. If a claim has been made the full annual premium may be payable. You must then pay any unpaid balance to us immediately. Provided that no claims have been made, the sum due from you to us will be calculated in accordance with the details provided in your Policy Booklet for the time your policy was in force. If you have made an overpayment this will then be refunded.

Should you default in your credit agreement we or our nominated credit provider, Close Brothers Premium Finance reserve the right to apply a £20 administration charge independent of any other charges imposed by the insurer.
